

**West Hartford Libraries  
and Capital Classics Theatre Company**  
*present*

## **The 5th Season of the Shakespeare Book Club!**

Hosted by Capital Classics' Co-Founder and Artistic Associate Geoffrey Sheehan, the club will discuss the Bard while reading selections from his great works out loud. Participants choose passages from selected plays to read with the group for a closer examination of the playwright's use of language in those moments of human thought, passion and action.
