

# MOVIE: *REINVENTING POWER*

America's Renewable Energy Boom

**Wednesday, December 12, 6:30PM**

"Reinventing Power: America's Renewable Energy Boom" is a 50 minute documentary produced by the Sierra Club. The film focuses on people in eight states whose lives were changed by the renewable energy industry. It explores various aspects of clean energy and underscores the notion that jobs, economic growth, and innovation don't have to be sacrificed for a clean environment.
