6:30PM – 8:00PM

Noah Webster Library
Library Meeting Room

Jim Link

, a homebrewer in CT for 30 years, will discuss how to brew a quality beer in your own home. He will cover beer styles (lagers and ales), how they differ, how to brew your favorite beer, and what to watch out for to prevent common flaws. Finally, he will discuss the fermentation procedures and when and how to bottle the finished product.
