

Curious Kids STEM Lab @FAXON Branch

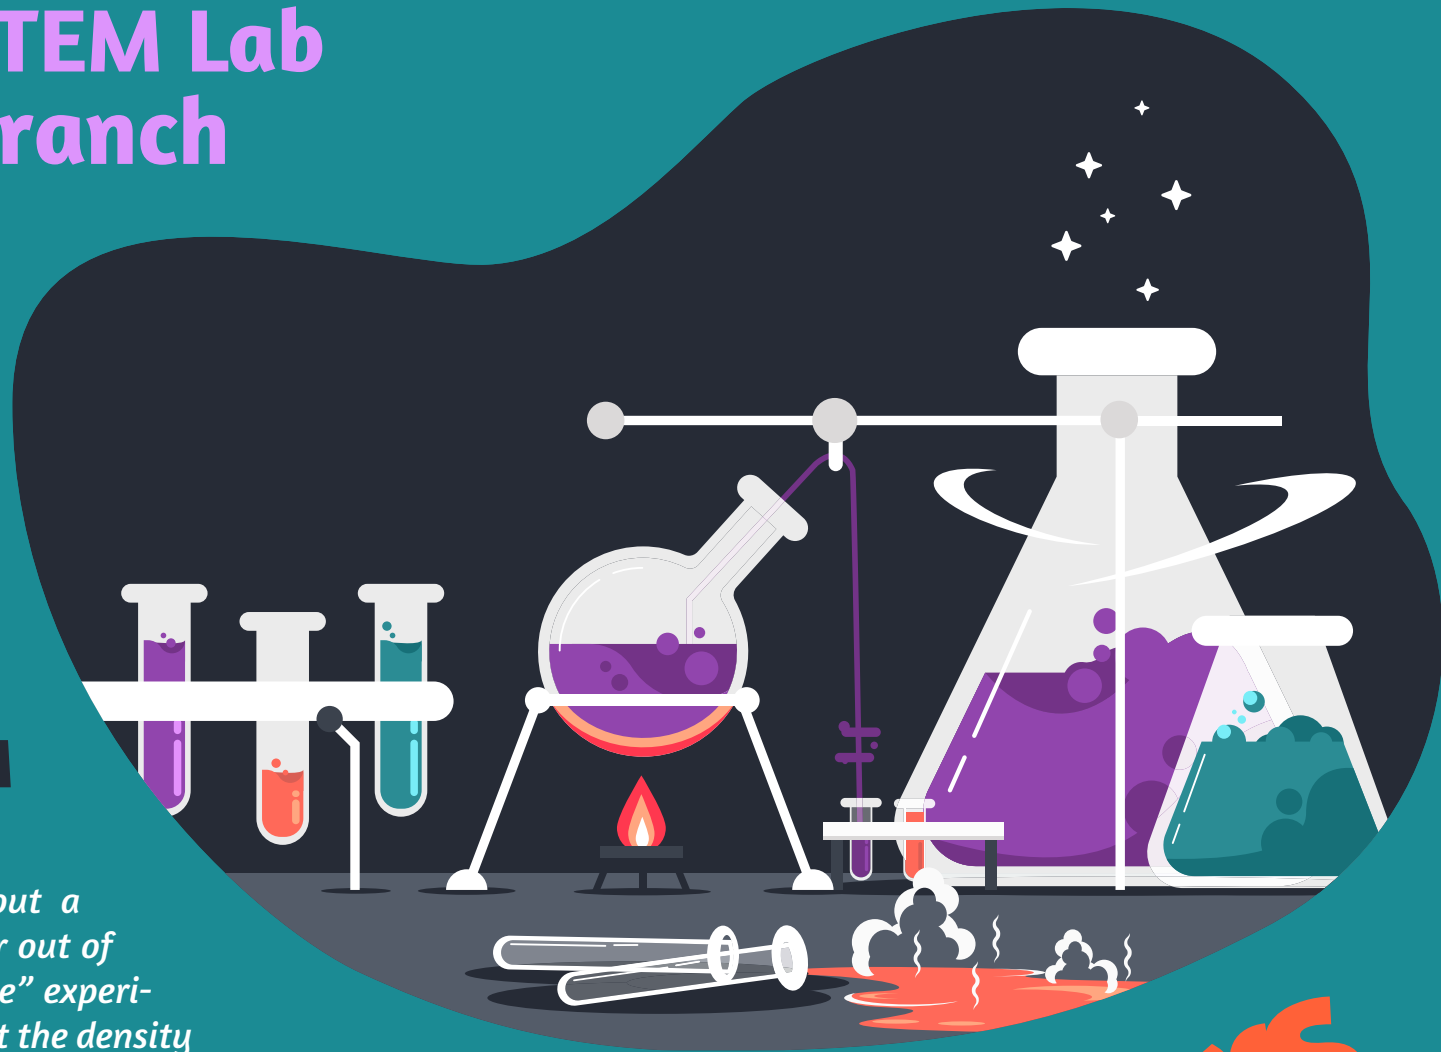

Tuesday Nov. 5

(NO school in West Hartford)

2:15 - 4:00 PM

Read a mathematical folktale about a clever girl who tricks a greedy ruler out of his stash of rice. Do a "Dancing Rice" experiment and other investigations about the density of water. Independent art and science centers will wrap up fun-filled afternoon of potions, chemical reactions, and guessing games.

Registration opens on Tuesday, Oct. 22: online, in-person, or by calling the FAXON Branch at 860-561-8200.
