### Typical Nepali folk song

1. Resham firiri, resham firiri  
Udera jaukee danda ma bhanjyang  
Resham firiri-..... (My heart is fluttering like silk in the wind, I cannot decide whether to fly or sit on the hilltop)
2. Kukur lai kuti ma kuti, biralo lai suri  
Timro ra hamro maya baseyo dobato ma kuri  
Resham firiri .....( to the dog calling like kuti kuti, to the cat it's Meow meow.  
Our love stayed, waiting waiting at the crossroads)
3. Ek naale banduk, dui naale banduk, mirga lai takeko-2  
Mirga lai mailey takeko hoin maya lai dakay ko  
Resham firiri... ..(one barrel gun, two barrel gun, targeted at a deer.  
It's not the deer that I am aiming at, but at my beloved )
4. Kodo chharyo makai chhareyo dhhan chhareko chain-2  
Pachhi pachhi na-aau kancha mann pareko chaina  
Resham firiri.....  
(I have sown millet, sown maize but not sown paddy yet  
Hey darling do not come behind me/follow me I donot like you)
