

# Baby Sign Language

**Mondays  
Jan. 24, 31,  
& Feb. 7  
10:00 AM**

**Virtual**

Babies crawl before they walk and they can sign before they can talk! Join us for a baby sign language class. Learn some basic ASL vocabulary to help foster communication with your little one. We'll sign, sing, snuggle and read together!

Registration required. Open to children up to 3 years old. This is a series of 3 online classes through **ZOOM**. A supply list with common household items will be emailed to participants to use as learning aids.
